

CELLER CREDO

CAN CREDO

2013 XAREL·LO

'Can Credo' is the name by which our house is commonly known in Sant Sadurní d'Anoia.

The white wine **Can Credo** is made exclusively with grapes from our family-owned vineyards in the county of Alt Penedès (Barcelona). All of the vineyards have been cultivated in accordance with the principles of organic, biodynamic agriculture.

We let cover crop grow spontaneously between the vines. This cover plays a crucial role, loosening the soil, regulating water retention and drainage (essential in the dry farming system we practise), and helping to foster biodiversity and maintain a balance in the vineyard ecosystem. Natural treatments based on medicinal plants (phytotherapy) are applied to the vines to control the presence of fungus and strengthen the vine's defences in a natural way.

All Celler Credo grapes are harvested by hand to ensure the excellent quality of the fruit. Before pressing, the grapes used to make **Can Credo** wines are inspected on a manual selection table. All our wines are always produced and bottled on the property.

Can Credo wine offers the maximum varietal expression of the Xarel·lo grape grown in a calcareous soil in a Mediterranean climate. This is why, when making it, this white wine is macerated with the grape skins and the pressing yield is very low, the most elegant and subtle fraction of the must. The must is fermented in oak cask, after which the wine stays in the cask for about three months.

This is an unfiltered, unclarified wine. It may contain completely natural sediments as a result of our minimal intervention.
