

CELLER CREDO

ESTRANY

2013 XAREL·LO

L'Estrany – offers something inexplicable and piques our curiosity. Was our grandparents' wine estrany (strange)?

The white wine **Estrany** comes exclusively from our family-owned vineyards in the Alt Penedès county. All of our vineyards have been grown following the principles of organic, biodynamic agriculture.

In Celler Credo's vineyards we let plant cover grow spontaneously between the vines. This cover plays a crucial role, loosening the soil, regulating water retention and drainage (essential in the dry farming system we practise), and helping to foster biodiversity and to maintain a balance in the vineyard ecosystem. Natural treatments of medicinal plants (phytotherapy) are applied to the vines in order to control the presence of fungus and strengthen the vine's defences.

At Celler Credo, all the grapes are harvested by hand and all of the wines are produced and bottled on the property. Before pressing, the grapes used to make **Estrany** wines are inspected on a manual selection table.

Estrany is made using an age-old technique from the time when wine was macerated with the grape skin. This contact with the skin is taken to the limit to showcase the Xarel·lo variety in a frank, uncompromising way that captures all its depth and rough-edged elegance.

This is an unfiltered, unclarified wine. It may contain completely natural sediments as a result of our minimal intervention.
