MIRANIUS 2016

'Miranius', a clever fox who ventures into our vineyards and is delighted by the sweet aromas of the grapes.

The white wine **Miranius** is made exclusively with grapes from vineyards owned by Celler Credo in the county of Alt Penedès (Barcelona). All of the vineyards have been cultivated in accordance with the principles of organic, biodynamic agriculture.

In Celler Credo's vineyards we let plant cover grow spontaneously between the vines. This cover plays a crucial role, loosening the soil, regulating water retention and drainage (essential in the dry farming system we practise), and helping to foster biodiversity and maintain a balance in the vineyard ecosystem. Natural treatments based on medicinal plants (phytotherapy) are applied to the vines to control the presence of fungus and strengthen the vine's defences in a natural way.

All Celler Credo grapes are harvested by hand to ensure the excellent quality of the fruit. .

Miranius is a lively young wine that is very vibrant and ages well in the bottle. It is made 100% from the Mediterranean variety Xarel·lo and has strong varietal character with crisp acidity and a good palate. To achieve this, we work with very low production volumes in our vineyards, taking great care over ripening with the aim of producing wines with natural, fresh acidity. Celler Credo's wines ferment always on yeast from our vineyards.

This wine may contain natural sediments due to our minimal intervention. All our wines are grown, produced and bottled on the property.
