

CELLER CREDO

ESTRANY 2014

L'Estrany - offers something inexplicable and piques our curiosity. Was our grandparents' wine estrany (strange)?

The white wine **Estrany** comes from our family-owned vineyard Serral del Bosc - a mainly calcareous terrain characterised by a loamy soil texture (balanced mix of sands, silts and clays). All our vineyards are located in Alt Penedès county and have been grown according to the principles of organic, biodynamic agriculture.

In Celler Credo's vineyards we let plant cover grow spontaneously between the vines. This cover plays a crucial role, loosening the soil, regulating water retention and drainage (essential in the dry farming system we practise), and helping to foster biodiversity and to maintain a balance in the vineyard ecosystem. Natural treatments of medicinal plants (phytotherapy) are applied to the vines in order to control the presence of fungus and strengthen the vine's defences.

All Celler Credo grapes are harvested by hand to ensure the excellent quality of the fruit. Before pressing, the grapes used to make **Estrany** wines are inspected on a manual selection table.

Estrany is made using an age-old technique from the time when wine was macerated with the grape skin. This contact with the skin is taken to the limit to showcase the Xarel-lo variety in a frank, uncompromising way that captures all its depth and rough-edged elegance. Celler Credo's wines ferment always on yeast from our vineyards.

It may contain completely natural sediments due to our minimal intervention. All our wines are grown, produced and bottled on the property.
